

SOP-HYBRID-2025 — Cross-Platform & Off-Platform Incidents

Purpose: Ensure consistent enforcement across Guardian Override forums, partner platforms, and live events. **Scope:** Applies to moderators and Conduct Officers.

Workflow:

1. **Detection:**
 - Misconduct reported across multiple platforms.
2. **Coordination:**
 - Moderator liaises with partner platform admins.
 - Unified enforcement decision logged.
3. **Classification:**
 - Minor: off-platform heated argument → advisory.
 - Moderate: repeated misconduct across platforms → restriction.
 - Critical: harassment or threats across platforms → suspension + escalation.
4. **Documentation:**
 - Case logged in MEI Appendix G systemic risk dashboard.
5. **Audit:**
 - Annual partner SOP alignment review.
